

# God's Grace

---

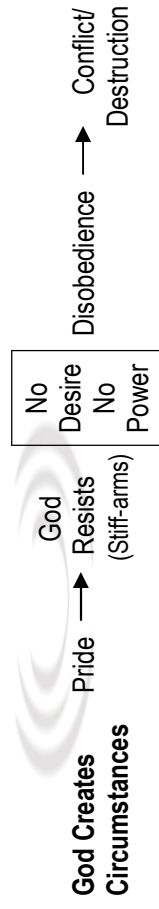

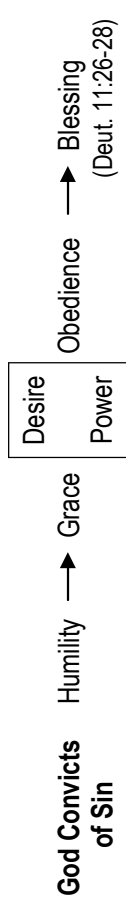

## Grace Needed for . . .

1. Right response to conviction of sin
2. Right response to circumstances

Mt. Sinai <i>Law</i>	Mt. Calvary <i>Grace</i>
<ol style="list-style-type: none"> <li>1. Defend Excuse Rationalize Cover Blame</li> <li>2. Struggle, try harder to be a better Christian</li> </ol>	<ol style="list-style-type: none"> <li>1. Agree with God</li> <li>2. Acknowledge need</li> </ol>

God's grace is the **DESIRE** and **POWER** to **OBEY** God.

"For it is God who works in you both to will [desire] and to do [power] for His good pleasure [will]" (Philippians 2:13).

**Remember: God resists the *proud* (no needs, self-sufficient) but gives grace to the *humble* (agree with God, acknowledge need). (see James 4:6)**
